

# YOU<sup>th</sup>CARE FOR change

## PRE-CAMPUS: CARE AND ITS DIMENSIONS

Online | Sept - Oct | every Tuesday | from 5.30 to 7.30 PM

The online YOU(th) CARE Campus, beginning in September and running till early November will explore the topic of Collective and community-based Care through stories of activism, intersectional engagement, strategic interdependence to approach global challenges such as climate change, gender rights, citizenship rights and to fight for a fairer, sustainable, and more inclusive society

**Who is PARTICIPATING?** max 3 participants per Youth Initiative. Session online for all the Countries, with registration offline to the YOU(th) CARE Platform.

**What is a care story?** CARE Stories will be presented as concrete, 'living' and intergenerational initiatives of collective and mobilising CARE, originating from generations older than those of the Youth Initiatives attending the Campus.

**What is a care case study?** Case studies will be presented as concrete and 'living' actions of collective and mobilising CARE, starting from Youth Initiatives and Youth Communities originating from the same generations of those of the Youth Initiatives attending the Campus.
